NV Summer Skills Camp

CAMP OVERVIEW

• In a fun and energizing atmosphere, the Summer Skills Camp helps players become the skilled competitors they need to be at the next level of the game. Under the direction of high school coaching staff, campers learn and drill important offensive and defensive skills necessary for basketball success. In addition to fun and challenging drills, scrimmages and competitions help players apply skills learned each day. The camp emphasizes the importance of having fun in learning the game of basketball, but equally stresses discipline, hard work and pride. Players get a camp T-shirt, and prizes are awarded daily and at the conclusion of the camp. Pizza lunch is served to campers on Thursday, the last day.

GENERAL SESSION

Date: July 25, 26, 27 & 28
Time: 9 to 12 p.m.
Place: NVHS Gymnasium

• The General Session for boys and girls going into grades 4-9 focuses on teaching young players basic offensive skills through fun and challenging drills and competitions. Ball handling and proper passing and shooting techniques are particularly stressed throughout the week. All in all, this camp aims to help young players learn the game of basketball so that they might one day love the game of basketball — if they don't already. Prizes are awarded daily for success in competitions and drills. And, camp awards are handed out on the final day. Campers going into grades 6, 7, 8 & 9 are eligible to stay for the Second Session in the afternoon. These campers will need to bring a bag lunch with them during the first three days of the camp.

SECOND SESSION

Date: July 25, 26, 27 & 28
Time: 12 to 2:30 p.m.
Place: NVHS Gymnasium

• The Second Session for campers going into grades 6, 7, 8 and 9 is for campers who are committed to the game of basketball and want to improve their skills in a challenging and fun environment. This session builds on the kinds of skills taught in the General Session, but aims to fine tune offensive and defensive skills and necessary understandings of the game (two elements the afternoon session stresses). Prizes are awarded daily for success in drills and competitions, and camp awards are handed out on the final day. Campers attending both sessions need to bring a bag lunch with them the first three days of the camp.
